

Retro Expo and the Retrofit Roadshows

With the launch of The Green Deal and the roll out of the Energy Company Obligation (ECO) retrofit represents the biggest commercial opportunity in decades. Retro Expo and the Retrofit Roadshows will take you straight to the heart of a fast emerging community.

Taking place in the following UK's retrofit hotspots, the Retrofit Roadshows will be exploring solutions that can make retrofit scalable and effective across the domestic and commercial sectors.

4 July □ Retrofit North West, ACC Liverpool

9 July Retrofit Birmingham and West Midlands, Millennium Point, Birmingham

5 September □ Retrofit North East, Civic Centre, Newcastle

17 September □ Retrofit Wales, City Hall Cardiff

29 November □ Retrofit London & South East, Business Design Centre, London

Delivered in partnership with Liverpool City Region, Birmingham Energy Savers, Warm Up

North, the Welsh Government and the Institute for Sustainability the roadshow programme features a Domestic Stream, primarily aimed at Registered Providers and local authorities, and a Non Domestic Stream, targeted at building owners and occupiers. Regional solutions making retrofit scalable and effective across the domestic and commercial sectors will also be explored. Breakout sessions will cover clinics organised by leading associations and membership bodies:

- Retrofit to Tackle Fuel Poverty, National Energy Action
- Engaging SMEs, Federation of Master Builders
- Developing Supply Chains, Energy Efficient Partnership for Buildings
- Strategies to Tackle Traditional Buildings – Sustainable Traditional Building Association
