May we take this opportunity to thank all those individuals and companies who have already confirmed their presence as speakers, delegates or exhibitors at Regen 2015 www.regen-2015.com , the 2nd Annual free-to-attend Exhibition and Conference for the UK Regeneration Industry.

Whether you wish to sell your products and services or establish new business contacts and relationships, meet potential suppliers or partners, or attend the conference to discuss and debate the hot topics in regeneration, Regen 2015 offers something for everyone involved in the industry.

Regen 2015 will once again provide significant sales and business development opportunities whilst also offering an outstanding networking platform with up to 1,500 industry colleagues, and really is a unique opportunity not to be missed.

And don't forget the complimentary 2 hour champagne drinks reception / networking evening from 5.15pm – 7.15pm on Tuesday 24 March, held in the exhibition hall, which you, your colleagues, your guests and your clients are all welcome to attend.

- Town & City councils
- Urban & rural regeneration & development companies
- Housing associations, suppliers & contractors
- Construction companies
- Banks and financial institutions
- Regeneration investment agencies
- Economic development & regeneration practitioners
- Architects, surveyors, town planners & urban design companies
